TABLE DESIGN

Table number:1

Table name: tbl_registration

Table description : This table store registration details of jobseeker

Attribute	Type	Size	Description
reg_id	Int	10	Primary key
name	varchar	50	Name
gender	varchar	50	Gender
address	varchar	100	Address
mother_name	varchar	50	Mother Name
father_name	varchar	50	Father Name
aadhar_no	varchar	50	Aadhar Number
phone	varchar	50	Phone Number
email	varchar	50	Email
s_ques	varchar	100	Security Qusestion
s_ans	varchar	100	Answer of Security Question
online_status	varchar	20	Online Status of Jobseeker
user_name	varchar	50	User Name
password	varchar	50	Password
status	varchar	20	Status
dob	varchar	20	Date Of Birth of Job Seeker

Table number:2

Table name: tbl_personaldetails

Table description :Used to store Account Details.

Attribute	Type	Size	Description
personal_id	int	10	Primary key
reg_id	int	10	Foreign key of tbl_registration
height	Int	50	Height Of Jobseeker
weight	varchar	100	weight Of Jobseeker
sslc_doc	varchar	50	sslc document Of Jobseeker
plus_two_doc	varchar	50	plus two document Of Jobseeker
qualification	varchar	50	qualification Of Jobseeker
experience	varchar	50	experience Of Jobseeker
pg_doc	varchar	50	pg Of Jobseeker
ug_doc	varchar	100	ug Of Jobseeker
pic	varchar	100	Picture Of Jobseeker
sign	varchar	100	Signature Of Jobseeker
place	varchar	100	Place Of Jobseeker
district	varchar	50	District Of

			Jobseeker
pincode	int	50	pincode Of Jobseeker
state	varchar	50	state Of Jobseeker

Table number:3

Table name: tbl_Chat

Table description : Store Chat Details.

Attribute	Type	Size	Description
chat_id	int	10	Primary key
chat_to	int	10	Message sending person
chat_from	int	10	Message receiving person
chat_readstatus	varchar	50	Read Status of Message
chat_content	varchar	50	Content of Chat Message
chat_date	varchar	50	Date of Message send
chat_time	varchar	50	Time of Messge send

Table number:4

Table name: tbl_compliant

Table description : Store compliant Details

Attribute	Type	Size	Descryption
comp_id	int	11	Primary key
comp_msg	varchar	50	Name of expenses
comp_date	varchar	50	Message of compliant
comp_time	varchar	50	Time of compliant
comp_status	int	50	Status of compliant
comp_reply	varchar	100	Reply message of compliant
reg_id	int	50	Foreign Key of tbl_registration

Table number:5

Table name: tbl_feedback

Table description :Table to store Feedback details.

Attribute	Type	Size	Description
feedback_id	int	10	Primary key
feedback_msg	varchar	100	Message of feedback message
feedback_date	varchar	50	Date of feedback message
reg_id	int	50	Foreign Key of tbl_registration
feedback_time	varchar	50	Time of feedback message

Table number:6

Table name: tbl_payment

Table description : Store Payment Details.

Attribute	Type	Size	Description
payment_id	int	10	Primary key
payment_date	varchar	10	Date of Exam Fee payed
payment_amt	int	10	Message receiving person
payment_time	varchar	50	Time of Exam Fee payed
payment_status	int	50	Status Of Payment
exam_id	int	50	Foreign Key of tbl_exam
job_id	int		Foreign Key of tbl_jobs
reg_id	int	10	Foreign Key of tbl_registration

Table number:7

Table name: tbl_government

Table description : Store Government Details.

Attribute	Type	Size	Description
gov_id	int	10	Primary key
post_name	varchar	10	Post Name Of Army
Name	int	10	Name
phone	varchar	50	Phone Number
email	varchar	50	Email
s_ques	varchar	100	Security Quesstion
s_ans	varchar	100	Answer of Security Question
online_status	varchar	20	Online Status of Government Employee
user_name	varchar	50	User Name
password	varchar	50	Password
status	varchar	20	Status
gender	varchar	50	Gender
address	varchar	100	Address of Office
dept_name	varchar	100	Department Name
place	varchar	100	Place Of government Employee
district	varchar	50	District Of government

			Employee
State	varchar	50	State Of government Employee

Table number:8

Table name: tbl_jobs

Table description : Store Job Details.

Attribute	Type	Size	Description
job_id	int	10	Primary key
start_date	varchar	10	Registration Starting Date
last_date	int	10	Last date of Apply Online
age_limit	varchar	50	Age Limit Of Particular Job
qualification	int	50	Qualification Of Particular Job
vacancy	int	50	Qualification Of Particular Job
link	varchar	50	Offical website link
post_name	varchar	50	name of Job
description	varchar	50	brief Description about job
field_id	int	20	Foreign key Of tbl_fieldforarmy

Table number:9

Table name: tbl_fieldforarmy

Table description : Store field for army.

Attribute	Type	Size	Description
field_id	int	10	Primary key
field_name	varchar	50	Field Name

Table number:10

Table name: tbl_exam

Table description : Store Exam Details.

Attribute	Type	Size	Description
exam_id	int	10	Primary key
aptitude_id	int	10	Foreign key Of tbl_ aptitude
job_id	int	50	Foreign key Of tbl_ jobs
exan_name	varchar	50	Name of Exam
exam_date	varchar	50	Date Of Exam
exam_time	varchar	50	Time of Exam
report_time	varchar	50	Reporting Time of Exam
location	varchar	50	Location of exam
location_address	varchar	50	Address Of exam
max_score	int	20	maximum score

Table number:11

Table name: tbl_apply_job

Table description : Store Apply Job Details.

Attribute	Type	Size	Description
apply_job_id	int	10	Primary key
job_id	int	10	Foreign key Of tbl_ jobs
reg_id	int	10	Foreign key Of tbl_registration
submit_date	varchar	50	Applicaton submission date
job_status	int	50	Status Of Application

Table number:12

Table name: tbl_aptitude

Table description : Store Aptitude Questions.

Attribute	Type	Size	Description
aptitude_id	int	10	Primary key
question	varchar	100	Date of Exam Fee payed
choice_a	varchar	50	Choice 1 of question
choice_b	varchar	50	Choice 2 of question
choice_c	varchar	50	Choice 3 of question
choice_d	varchar	50	Choice 4 of question
answer	varchar	50	Correct Answer of Question

Table number:13

Table name: tbl_physcial

Table description : Store physical Test Details of Job seeker

Attribute	Type	Size	Description
physical_id	int	10	Primary key
reg_id	varchar	10	Foreign key Of tbl_registration
height	int	10	Height of jobseeker
weight	varchar	50	Weight of jobseeker
chest_expansion	int	50	Chest expansion of jobseeker
dieseases	varchar	100	medical result
physically_disable	varchar	50	Physically disable or not
result	varchar	50	Final Result of Physical Test

Table number:14

Table name: tbl_interview

Table description : Store interview details.

Attribute	Type	Size	Description
interview_id	int	10	Primary key
interview_date	varchar	10	Date of Interview
interview_time	int	10	Time of Interview
job_id	varchar	50	Foreign key Of tbl_jobs
report_time	varchar	50	Reporting time of interview
location	varchar	100	Location Of Interview
location_address	varchar	100	Address Of Interview

Table number:15

Table name: tbl_interview_schedule

Table description : Store interview Schedule details.

Attribute	Type	Size	Description
ischedule_id			Primary key
interview_id	int	10	Foreign key Of tbl_interview
reg_id	int	10	Foreign key Of tbl_registration
apply_job_id	int	10	Foreign key Of tbl_apply_job
result	varchar	50	Result Of Interview

Table number:16

Table name: tbl_exam_schedule

Table description : Store Exam Schedule details.

Attribute	Type	Size	Description
eschedule_id			Primary key
exam_id	int	10	Foreign key Of tbl_exam
reg_id	int	10	Foreign key Of tbl_registration
apply_job_id	int	10	Foreign key Of tbl_apply_job
result	varchar	50	Result Of Interview
score	int	50	score of interview
c_ans	int	50	Number of correct answer
w_ans	int	50	Number of Wrong answer
